# EYE TEST CHART

Please print page for optimal reading test. Remove your glasses, hold the chart 14 inches (35.5cm) away. Read the lines starting at the top, the first line that you have trouble reading has the lens' strength (diopter strength) to the left. That is your correct strength. Select this strength when ordering.

<b>+1.00</b>	Select this Power
<b>+1.50</b>	Select this Power
<b>+2.00</b>	Select this Power
<b>+2.50</b>	Select this Power
<b>+3.00</b>	Select this Power

Once printed, this line  $\longleftrightarrow$  should measure 1" in length
